Your Vote Counts

Here's How a Single Vote Can Mean Election or Defeat

Thomas Jefferson was elected President of the United States by one vote in the Electoral College. John Quincy Adams rose to the highest seat in the land because of one vote. Rutherford B. Hayes was elected by one vote. His election was contested, and referred to an Electoral Commission. Again his margin of victory was one vote. The States of California, Idaho, Oregon, Texas, and Washington joined the Union by virtue of a single vote. The Draft Act of World War II passed the House of Representatives by one vote.

Be sure and vote in the next election. Vote for the men you believe will do their best for your State and the Nation.

MISS GWENDOLYN STEARNS, PRINCIPAL OF ELEMENTARY SCHOOL AT STRONG, RETIRES

Miss Gwendolyn Stearns of Bethel, who has been principal of the Strong Elementary School for the last three years, retired at the close of this year. Strong has been most fortunate in having her as a member of the faculty. The children have received excellent instruction, not only in academic subjects but in those ideals which help to build future citizens.

Included in her teaching experience before coming to Strong have been 16 years as an Art Supervisor in Caco Maine, Bridgewater and Abington, Mass., and several years in departmental work, teaching English and Art in the Bethel Grammar School.

The grade teachers honored Miss Stearns this week with a party in the teacher's room. A social hour was spent. An appropriate poem written for the occasion was read. Refreshments were served by the teachers. Miss Stearns was presented a gift of money and a beautifully decorated cake.

The sixth and seventh grades held an assembly in the Randall Thomas Gym to honor their teacher. This was a complete surprise and was arranged by the children. The fine manner in which all cooperated to make this party a success showed the love and esteem the children and their parents hold for their teacher.

FRANK HAGAN NAMED NEW OXFORD COUNTY AGENT

Frank W. Hagan, of Bath, has been appointed Oxford County agent for the Agricultural Extension Service of the University of Maine, effective June 23. Hagan succeeds Foster I. Gordon, who resigned in February.

Oxford county is fortunate in securing an experienced county agent, said Richard C. Dolloff, county agent leader for the Extension Service. Saturday was Alumni Day with the annual meeting in Hancoc Hall at 10:30 a. m. followed by the banquet in William Bingham Gymnasium. Murray Thurston, President of the Alumni Association, presided. Frank Flint gave a piano solo, "Valse C Sharp Minor." Vocal solos "Dedication" and "Because" were rendered by Richard E. Barbour accompanied by Frank Flint. Headmaster Elwood F. Ireland spoke fittingly on the dedication of Barr Field and Park Field, named for the late trustees, Ellery C. Park and Joseph R. Barr, who served the Academy faithfully as treasurers and advisors for many years.

Mr. Park was a trustee of the school from 1905 to 1949, and served as treasurer from 1906 to 1949. For many years a much-respected citizen of Bethel, he is honored by the following inscription on the plaque, which is set into a granite boulder on a slope facing the field: "Close by the home he loved and the school for nearly half a century he served, this athletic field is named in memory of Ellery C. Park, Lawyer-Banker." A record of his service to Gould Academy appears on the plaque.

Mr. Barr's inscription is embedded in a granite boulder at the entrance to the pathway leading down a small pine grove to the Lower Athletic Field; the inscription reads: "Barr Field Named in appreciative recognition of the vision and planning Joseph R. Barr, Engineer, Builder, Artist. On the eternal foundation of spirit he built his own keen interest in youth into the material edifice of Gould Academy Trustee 1932-1950 Treasurer 1949-1950"

The guest speaker of the afternoon was Prof. Allen Foley of the History Department, Dartmouth College, who selected as his topic, "Vermont." Prof. Foley developed his theme around the qualities that characterize the Vermont thrift, independence, and tenacity and illustrated his points with many humorous anecdotes.

The Alumni Banquet closed with the group singing of the school song "G. A."

Another of the day's features was the annual Academy-Alumni baseball game.

BETHEL GIRL HOSPITALIZED WITH FACIAL INJURIES AFTER FALLING LADDER HITS CAR

Miss Edith Tyler is a patient at the Central Maine General Hospital, Lewiston, recovering from injuries suffered Wednesday afternoon while driving a car. She was struck in the face by a ladder falling from a truck and crashing the windshield of the car which she was driving. She suffered injuries about the left eye.

A ball game which was played on Alumni Field on Saturday afternoon. The Academy boys were successful in pulling out a 7 to 4 victory.

During the afternoon, students, parents, trustees, alumni, and friends of the school gathered for tea at the Headmaster's home. Mrs. Ellery C. Park and Mrs. Clayton Mills poured.

The Baccalaureate service was held in West Parish Congregational Church on Sunday, June 8, at 10:30 a. m. Reverend John J. Foster delivered the sermon, taking as his text: "they attempted to go into Bithynia but the Spirit of Jesus did not allow them; so . . . they went down to Troas."

The Gould Academy graduation exercises were held in William Bingham Gymnasium on Sunday, June 8, at 2:30 p. m. Members of the Senior Class entered the hall to the strains of Pomp and Circumstance played by the Academy orchestra.

The invocation was delivered by Mary Stevens, third honor student, followed by a selection "Pale Moon" by the Girls' Glee Club.

The Salutatory Address was delivered by John J. Willard, Jr., who spoke of a boy's view of citizenship and how a high school education contributes to it. The Boys' Glee Club then rendered the selection "Your Land and My Land."

The guest speaker for the occasion was Dr. Margaret Chase Smith, United States Senator from Maine, who chose for her subject "Responsibilities of a Citizen." Dr. Smith used as key words for her address: 1. Democracy 2. Citizenship 3. Thought 4. Articulation. She described democracy as a rule by the majority in theoretical principles but that it is more especially rule by the articulate majority in actuality. She urged citizens to exercise their franchise and political rights. She especially emphasized that all citizens should strive to merit leadership and then express their thoughts for the benefit of all. She pointed out that many elections show that only 5% of electors participate and that many of the policies decided are of vital importance to the people.

Dr. Smith suggested two methods for analyzing candidates for public office. First, and by far the most important, the candidates' prior record and secondly, his promises and programs for the future. She emphasized that there is far too much silent or negative thinking.

Savings Bank Celebrates 80th Birthday

The 80th annual meeting of Bethel Savings Bank Corporation was held at Bethel Inn Wednesday evening, June 11. All but three were present, and Myron Bryant was re-elected, with William Chapman and Edmond Vachon elected new members.

The Treasurer's report was accepted, showing substantial increases in deposits, assets, income and dividends. The Bank's ratio of surplus to deposits is 20, compared to the state average of 15.2.

The Corporation elected the following Trustees: Carroll Abbott, Elmer Allen, Kimball Ames, Ernest Gibson, D. Grover Brooks, Henry Hastings, and Robert Hastings. They in turn elected Kimball Ames, President, and D. Grover Brooks, Treasurer and Secretary; Elmer Allen and Ernest Blaseb, the Investing Committee; Henry Hastings and Elmer Allen the Examining Committee.

Mention was made of the re-decorating of the offices, Miss Frances Morrill's efficient management of the School Savings Department, and various State and local association meetings attended.

A splendid dinner was smoothly served by the Inn staff, and at the table was found a beautiful basket of peonies presented by the Maine Savings Bank Association in honor of this 80th birthday occasion.

An interesting talk on the historical background of Mutual Savings Banks was humorously given by Harry Nelson, Executive Secretary of the State Association. George Viles, President of the Association, concluded the evening with a discussion on the responsibility of keeping industry in Maine.

ing and that all citizens would benefit by offering constructive criticism. It is too often the case that people seek to defeat foes they dislike rather than elect those they want as representatives. Mrs. Smith closed by urging all citizens to live up to the full meaning of their status, to cling to and fight for their ideals, and to protect them with realism. No longer are the people of the United States living in isolation and it is of extreme importance that they identify country and world problems with a view to their proper solution.

The Varsity Glee Club sang the selection "One World" and Carol Barton, class valedictorian, presented her address on the subject of "A

CHRISTIAN SCIENCE
The Lesson-Sermon used in all
Churches of Christ, Bethel, is
available to everyone who desires
to study it.

You are cordially invited to at-
tend the services of The Mother
Church, The First Church of Christ,
Scientist, in Bethel, on the ser-
vice of the branch church or soci-
ety near you.

Golden Text: "He that dwelleth
in the secret place of the most
High shall abide under the shad-
ow of the Almighty." (Psalm
91:1)

CARD OF THANKS
We wish to extend our sincere
thanks to all our relatives and
friends in Bethel, Maine, and
all others for the kindness and
sympathy shown us in our recent
bereavement.

Mrs. Alfred Mason and Family
Patricia, Lona, Betty, Leger
"The Park" and "The Church"
were in and out of the house
from the clock time to total the
last year was 1950-1951. When
the government got the 1950-1951
and every year it is getting more
and more. The only place it
can get it is by giving more taxes
on Mr. and Mrs. Avenue Taylor.

ONE IS ALWAYS tempted to
envy those who have achieved
great things. But greatness in any
field is always hard to win. Even
the skill of the athlete has to be
acquired through long and faithful
practice. There is no royal road to
fame or success.

Nor is there any royal road to
heaven. If drudgery is the main
ingredient of temporal success, it
is even more fundamental to the
attainment of spiritual perfection.
Whoever wishes to enjoy the ul-
timate reward reserved for God's
faithful must expect to win it the
hard way. He must find that there
is no drudgery so hard as the fight
to overcome the No. 1 enemy—his
own weaknesses.

The fact that a man has to work
out his salvation in hardy, hard-
ship or drudgery should not,
however, dampen his spiritual
ardor. It should rather make him
more ready to seek God's help in
the struggle. He should bear in
mind that although God may not
spare his followers from trials and
tests in their quest for final hap-
piness, He never imposes a burden
that is too heavy.

More encouraging still is the fact
that God is always with His willing
followers, infusing into their souls a
joy and contentment that sustains
them in their progress toward the
great final goal.

Prayer, self-sacrifice, self-con-
quest, steadfast devotion to the
laws of God, charity and patient
goodwill toward others—these are
the elements that constitute man's
spiritual drudgery. They are a
heavy burden for rebellious and
selfish human nature. But once ac-
cepted in a spirit of love, they be-
come a team less and less difficult.

BIRTHDAY PARTIES
Bathany Dean was guest of honor
at a birthday party given by her
mother, Mrs. Warren Dean, in cele-
bration of her fifth birthday, last
Thursday afternoon.

Cakes, ice cream and cake were
served and many gifts were re-
ceived by the honor guest.

Those present were Mrs. George
Parsons and Terry, Mrs. Robert
Land and Linda, Mrs. Vernon Brown
and Barbara, Norma Jean
Shaw, Eleanor Mills and Mary
Lewell.

Mrs. Morris Brown entertained
at a party in honor of her daugh-
ter, Susan's fourth birthday, Sun-
day afternoon. Games and refresh-
ments were enjoyed and gifts re-
ceived by Susan. Those present
were Mrs. Annie Hastings and Elsie,
Mrs. Gertrude Hutchins and Elsie,
Mrs. Francis Potter, David and
Barbara, Mrs. Carolyn Brooks
and Jack, Mrs. Constance Thorne-
ton Johnson and David, Norma Jean
and Paula Shown, Linda Lord, De-
bbie Young, Vicki and Susan Brown,
and Carmela and Rosalee Whitman
who assisted Mrs. Brown.

CARD OF THANKS
We wish to thank all who help-
ed at the time of the fire at our
home recently.

Mr. and Mrs. Roger Clough
Victor N. Y. Herald: "Two
months ago the government called
a New York Central and Western
train carrying the MONROE to go
back two years ago to the Pres-
ident. They thought John L. Lewis
would strike through the courts and
win. His fight was in the class
and he has gone far beyond normal
action. He has shown the action of
steel industry can only add up to
an act of unprovoked power."

LOCAL SCOUT TROOP HOLDS OVERNIGHT HIKE

Bethel Scout Troop 165 held an
overnight camping trip at the Wild

Mountain National Forest, on Sat-

Scoutmaster Donald Christie.

It was the first camping trip for
many of the boys who brought
their own food and prepared it. Sev-
eral boys passed their second class
requirements in cooking, fire-
building, compass, trailing and
camping. Many of the boys went
fishing and some more hardy of
the group tried swimming.

All the boys wish to thank Harold

went with the meals, and "Mugs"

Mothers, school will soon be out

hours to play. Have you provided
a safe place for them to play?
Fence off your back yard and equip
it with playthings or join neigh-

have a happy summer, free from
hanger of traffic accidents. This
suggestion comes from the Maine

Where Has Judkins Been?

Dear Republican Friends;

I have been justly criticized by my friends for not get-
ting around more, canvassing for votes. As a matter of fact,
I haven't had time to, since I am a farmer and have been try-
ing to get some planting done.

Really, I don't have the time to go to Augusta this win-
ter, either, but I will take time if you voters elect me, because
we need a capable, sincere and active representative from this
area to help Senator John Carter. I feel that both my oppo-
nents for this office are "yes" men to the majority groups.
I am not! I am not looking for any future political appoint-
ment. I expect to be paying state taxes for many years to
come so I will oppose any extravagance in spending but I am
not so economy minded that I would oppose appropriating
enough for essential services.

I have the pledged support of many Grangers and Le-
gionnaires but to be elected I NEED YOUR VOTE the 16th.
I am hoping to have the opportunity to serve you people of
this area. I am not looking for a chance to spend a winter in
leisure and comfort at your expense.

Sincerely yours,

Friendship

THERE can be few individuals who have not at some time longed for friendship, or responded to its warm appeal. True friendship is a spiritual relationship, unlimited and untouched by finite, personal sense. A mistaken concept of friendship, based on personal sense, may lead to jealousy, hurt feelings, heartaches, misunderstandings, and so on. Such so-called friendship is doomed to disappointment and failure. It has nothing real to give.

It may seem difficult, to human sense, to accord another complete freedom and individuality, to refrain from monopolizing another's time and attention, to relinquish a sense of possession. But friendship should be accompanied by freedom. Love is boundless, since God is its source. Love for a friend should not limit one's affection to that particular individual, nor demand all his for oneself. We must love enough to keep ourselves and those we love free from the bondage of personal sense.

Mary Baker Eddy, the Discoverer and Founder of Christian Science, writes in "Science and Health with Key to the Scriptures" (p. 268): "Would existence without personal friends be to you a blank? Then the time will come when you will be solitary, left without sympathy; but this seeming vacuum is already filled with divine Love. When this hour of development comes, even if you cling to a sense of personal joys, spiritual Love will force you to accept what best promotes your growth. Friends will betray and enemies will slander, until the lesson is sufficient to exalt you; for man's extremity is God's opportunity."

What is it that we really love and admire in our friends? Is it not their spiritual qualities — their kindness, gentleness, strength, loyalty, honesty, tenderness? And do we not seek those friends who express the qualities we desire to manifest ourselves? Our real friends are God's spiritual ideas; these are friends that can never be taken from us.

... Love that reflects God is impartial and universal. Christ Jesus exemplified friendship for all in his life of unselfed love and service. He said to his disciples (John 15:15), "I have called you friends; for all things that I have heard of my Father I have made known unto you." Evidently his concept of friendship was the sharing of spiritual good. This is the highest manifestation of friendship, of spiritual at-onement. Loving spiritually and impartially, not personally, we help others to learn that God is All in all.

Not friends, but a false personal sense of friendship retards spiritual growth. Knowing God as the one omnipresent friend makes the continuity of friendship certain. —The Christian Science Monitor.

BABY'S WARDROBE is bound to keep mother hopping if she wants to have it sweet, clean and soft. Many articles have to be washed daily: shirts, nightgowns, bibs, crib sheets and, of course, diapers.

Each article should be laundered according to directions for material out of which it's made. Woolens must be done in lukewarm water while the cottons need hot water so they can be sterilized at the same time as they're cleaned.

RECIPE OF THE WEEK

Blonde Bars

(Makes 24 small bars)
 1/4 cup shortening
 1/4 cup brown sugar (packed)
 2 eggs
 1 teaspoon vanilla extract
 1 cup sifted all-purpose flour
 1 teaspoon baking powder
 1/2 teaspoon salt
 1 cup chopped walnuts
 1/2 cup semi-sweet chocolate bits

Melt shortening, blend in sugar, well-beaten eggs and vanilla. Sift flour, baking powder and salt; blend into first mixture. Stir chocolate bits and walnuts into batter. Spread in greased 9x13 square pan. Bake in a moderate (325° F.) oven 30 minutes. Cut into bars while still warm.

To keep sweaters, mittens, socks, booties, blankets and towels soft and sweet, wash often. In this way they won't get soiled heavily and will require not so much work to get clean.

Woolens should be washed as directed for the material used. Put a hand with soft cloth and finger-press button after washing and place over the bowl to dry. There will be little pressing, then.

Starch is never used on small baby's clothing. The little dresses, slips and bibs should be very soft so they don't scratch tender skin. Cool liver oil stains are difficult to remove. Always give oil after clothing is removed.

solicits your vote for the Republican nomination as candidate for

A PEEK AT THE STARS

By LYN CONNELLY

THE NATION'S music moguls reportedly are sitting on the hottest campaign song since radios rocked with "Happy Days Are Here Again" as FDR was nominated 20 years ago. . . . Like that song, this one is an old favorite and a bonanza for Eisenhower backers—"I Love the Sunshine of Your Smile" . . . Done in march tempo, the tune is expected to hit juke boxes, radio and TV sets with the same "Happy Days" impact shortly before the GOP convention July 7. . . . Which just goes to show how every angle is exploited during a political campaign.

The Sportsmen Quartet, Jack Benny's "Hm-m-mmm Boys," will be living out of trunks all summer as a result of personal appearances from San Diego to Seattle and from New Orleans to New York. . . . Dinny Simms has packaged her own TV show and already has attracted the interest of one network. . . . The TV films produced by the Protestant Broadcasting and Film Commission, in which puppets enact Bible stories, are being used widely in Sunday schools, too. . . . They've been hailed by churchmen for bringing many youngsters to classes.

PLATTER CHATTER

COLUMBIA:—Frankie Laine's latest and one of his hottest discs is "That's How It Goes" with "Show in Lover's Lane" backing it. . . . Champ Butler continues his swing up the ladder with another good waxing, "Two" and "Meet Me on the Corner." . . . The ever popular, beautiful "Oh, How I Miss You Tonight," is done in a haunting and appealing fashion by Sammy Kaye's orchestra. . . . "You" backs it. . . . The Mariners get into the revival act by coming up with a real old favorite, the beautiful "Jeannine I Dream of Lila Time" with "One Love" on the flip side.

CAPITOL:—Hank Thompson comes up with a real tear-jerker in "Don't Make Me Cry Again" backed by "Waiting in the Lobby of Your Heart," a song that shows promise. . . . Les Paul and wife Mary Ford continue their successful careers with two more revivals ("I'm Confessin'" and "Carolina").
